DECISION AND AMENDMENT OF CERTIFICATION

Upon a petition duly filed under Section 9(c) of the National Labor Relations Act, as amended, careful investigation and consideration took place.

Pursuant to the provisions of Section 3(b) of the Act, the Board has delegated its authority in this proceeding to the undersigned Regional Director.

Upon the entire record in this proceeding, the Regional Director finds:

1. The Employer is engaged in commerce within the meaning of the Act and it will effectuate the purposes of the Act to assert jurisdiction herein.

2. The Petitioner proposes to amend the certification as follows: substitute the name of Local 2068, affiliated with International Longshoremen's Association, AFL-CIO for the name of the currently certified bargaining representative. By letter dated July 30, 2004, the Employer informed the undersigned that it has no objection to this change.

3. Accordingly, the Corrected Certification of Representative issued on October 20, 2003 in Case No. 8-RC-16542 should be, and hereby is, amended as follows: by substituting Local No. 2068, affiliated with International Longshoremen's Association, AFL-CIO as the Certified representative of the Employer's employees in the following unit:

All full-time and part-time production and maintenance employees, employed by the Employer at its 30610 East Broadway Street, Walbridge, Ohio facility, including all shipping and receiving employees, production crew chiefs, and shipping and receiving crew chiefs, but excluding all office clerical employees, quality assurance employees and professional employees, guards and supervisors as defined in the Act.¹

Dated at Cleveland, Ohio this 2nd day of August, 2004.

¹ Note, however, that production crew chiefs and the shipping and receiving crew chiefs are neither included nor excluded from the bargaining unit covered by this certification, inasmuch as the Board, in denying the employer's request for review of the Regional Director's decision in this matter, excepted the unit placement of production crew chiefs and shipping and receiving crew chiefs and ordered them voted subject to challenge.
